

**IN THE UNITED STATES BANKRUPTCY COURT  
FOR THE SOUTHERN DISTRICT OF TEXAS  
HOUSTON DIVISION**

<b>In re:</b>	§	<b>Case No. 15-31952-H1-11</b>
<b>2555 N. MACGREGOR, L.L.C.,</b>	§	
<b>Debtor</b>	§	<b>Chapter 11</b>

**DEBTOR'S DISCLOSURE STATEMENT AND  
PLAN OF REORGANIZATION**

COMES NOW 2555 N. MacGregor, L.L.C. (the “Debtor”) and proposes this Disclosure Statement and Plan of Reorganization (the “Plan”) pursuant to §§ 1121 and 1125 of the Bankruptcy Code.

**I. INFORMATION REGARDING THE DEBTOR**

**A. The Debtor**

The Debtor is a Texas limited liability company with its principal place of business at 2555 N. MacGregor Way, Houston, Texas 77004. Where appropriate, references to the Debtor shall mean the reorganized debtor.

**B. Brief History of the Debtor and Cause of the Debtor’s Chapter 11 Filing**

The Debtor is a single-member limited liability company owned by Sean Roberts, a litigation and personal injury attorney. The Debtor owns a commercial building located at 2555 N. MacGregor Way, Houston, Texas 77004 (the “Property”) and leases out the offices therein. The Debtor has no other business activity.

Although the Property has several operable office suites, the construction of the Property is not completely finished. The Debtor estimates that the construction of the Property will be complete within six to nine months. The Property has also required several unexpected repairs, including repair of the air conditioning and water leaks.

One of the Debtor's primary tenants is Roberts' legal practice, The Roberts Law Firm. The Roberts Law Firm is primarily a litigation and personal injury firm and takes many of its cases on contingency. It recently was unable to collect one of the judgments it won because the defendant in the case went into receivership and was unable to pay its debts. This in turn caused The Roberts Law Firm to be unable to pay its rent to the Debtor.

The unexpected repairs and the collection problems encountered by The Roberts Law Firm caused the Debtor to become unable to pay the debts secured by the Property. The Debtor filed this chapter 11 case to avoid foreclosure of the Property and to obtain additional time to catch up the arrearages on those debts. At this time, the Debtor does not expect additional major repairs to the Property and The Roberts Law Firm has regained a consistent cash flow. In addition, when construction of the Property has completed in six to nine months, the Debtor will be able to lease out additional office space.

### **C. Assets of the Debtor**

The Debtor's principal asset at the time of the bankruptcy filing was, and still is, a commercial office building located at 2555 N. MacGregor Way, Houston, Texas 77004 (the "Property"). Other assets of the Debtor at the time of the bankruptcy filing are set forth in detail on the schedules of the Debtor filed with the Court.

### **D. Source of the Information Contained in This Disclosure Statement**

All information in this Plan and Disclosure Statement has been submitted by the Debtor unless otherwise indicated.

### **E. Present Condition and Post-Petition Operations of the Debtor**

The Debtor is continuing to operate normally. There are currently two tenants on the Property: Livingston & Flowers and The Roberts Law Firm. The tenants are current on their rent

payments. The Debtor is currently seeking additional tenants.

The post-petition financial operations of the Debtor are set forth in the monthly operating reports filed with the Bankruptcy Court. Attached as Exhibit A are the two most recent of the Debtor's monthly operating reports, which set forth the Debtor's cumulative post-petition operations.

#### **F. Anticipated Future of the Debtor and Management of the Reorganized Debtor and Feasibility**

The Debtor anticipates continuing to lease commercial office space in the Property and to have additional commercial office space available for lease within six to nine months.

Sean Roberts is the sole member and current managing member of the Debtor. The Debtor expects for Roberts to continue as managing member.

The actual income and expenses together with the projections of income and expenses for the next three years are attached hereto as Exhibit B.

#### **G. Claims Summary**

The Debtor's schedules reflect claims against the Debtor and the respective priorities. The bar date for filing claims is August 3, 2015. The following table summarizes the claims currently filed against the Debtor:

<b>Claim #</b>	<b>Creditor</b>	<b>Amount</b>	<b>Status</b>	<b>Collateral</b>
1	Harris County 2014 Taxes	\$10,064.88	Secured	2555 N. MacGregor
	Harris County 2015 Taxes	\$9,067.46	Secured	2555 N. MacGregor
2	IRS 2011 – 2015 Taxes	\$500.00	Priority	-
	IRS 2009 – 2010 Taxes	\$200.00	Unsecured	-
3	Tax Ease Funding, LLC	\$88,353.32	Secured	2555 N. MacGregor

Other claimants listed in Schedule D will receive payments under the Plan unless the Debtor contests such claims. The Debtor has not listed amounts owed to any creditor in Schedules E and F. Copies of Schedules D (secured creditors), E (priority creditors), and F (unsecured creditors) are available from the Clerk of the Court or counsel for the Debtor.

#### **H. Liquidation as an Alternative to the Proposed Plan**

The Debtor is proposing a Chapter 11 Plan of Reorganization to repay its debts. However, if the Plan is not approved by the Creditors and confirmed by the Court, the primary alternative for the Debtor is liquidation under chapter 7 or dismissal of the case.

In a chapter 7 liquidation, the secured creditors will likely foreclose on the Property. The appointment of a chapter 7 trustee by the Court will also result in additional and unnecessary administrative costs. The Debtor is operating in good faith as to all creditors.

Although it is possible that all creditors could be paid in full through a liquidation of the Debtor, such a result would depend on the amount received for the Property, which is the Debtor's only significant asset. There is no guarantee that the amount received from sale of the Property will result in full payment of all creditors. On the other hand, the Plan proposed by the Debtor would pay all creditors in full out of the future income of the Debtor.

See Exhibit C for a liquidation analysis.

#### **I. Estimated Administrative Expenses**

The Debtor estimates administrative expenses including professional fees and expenses and pre-confirmation U.S. Trustee quarterly fees for this case to be approximately \$25,000. The administrative expenses are composed of attorney fees, U.S. Trustee quarterly fees, and a reserve for other possible administrative expenses.

#### **J. Avoidance and Contested Claims**

At this time, the Debtor has not identified any preferential transfers or claims that should be disputed.

#### **K. Summary of Litigation.**

To the knowledge of the Debtor, there are no non-bankruptcy litigation matters pending that involve the Debtor. The Debtor may have a claim against IO Visuals, which terminated its lease with the Debtor after the filing of this bankruptcy case.

#### **L. Risks Posed to Creditors**

The risk to creditors is that construction on the Property will take longer than expected, that unexpected major repairs could arise, that the Debtor will be unable to find tenants at the rental rates required to make the proposed plan payments, and that the Debtor's tenants will fail to make their rent payments as agreed. In such cases, the Debtor may not be able to pay its operating expenses or pay the creditors under the terms of this plan.

#### **M. Tax Ramifications**

An analysis of the federal income tax consequences of the Plan to creditors requires a review of the Internal Revenue Code of 1986, as amended, the Treasury regulations promulgated thereunder, judicial authority, and current and administrative rulings and practice. The federal income tax consequences to any particular creditor may be affected by the nature of the taxable entity. There may also be state, local, or foreign tax considerations applicable to each creditor. Each creditor is urged to consult his, her, or its accountant or tax lawyer to determine the effect of this Plan upon his, her, or its claim.

#### **N. Affiliate Relationships**

Except for the relationship with the Roberts Law Firm as a tenant, the Debtor has no oth-

er known affiliate relationships.

### **O. Absolute Priority Rule**

The Bankruptcy Code provides that with respect to each class of creditors, such class must accept the plan or such class is not impaired under the plan. If a class does not accept the plan, then the bankruptcy court may confirm a plan over the failure of a class to vote for the plan, provided that for a class of unsecured claims, the plan must provide that each holder of a claim of such class receive or retain on account of such claim property of a value, as of the effective date of the plan, equal to the allowed amount of the claim of the creditor, or the holder of any claim or interest that is junior to the claims of such class will not receive or retain under the plan on account of such junior claim or interest any property. The Debtor believes that its plan of reorganization complies with the absolute priority rule in the Bankruptcy Code that is contained in Section 1129(b).

### **P. Definitions**

“Effective Date” shall be the date that is fifteen (15) days after a final and non-appealed order is entered confirming the Debtor’s chapter 11 plan of reorganization.

## **II. PLAN OF REORGANIZATION AND TREATMENT OF CLAIMS**

**Plan Concept.** The Debtor’s Plan is reorganizing in nature. The Debtor will continue to operate its business and pay its creditors in accordance with the priorities under the Bankruptcy Code.

The Plan provides for the division of claims into eight (8) classes. Each of the claims in each class shall be treated in the manners and methods described below:

### **Class 1. Administrative Claims as of the Effective Date**

Class 1 consists of the Allowed Claims entitled to priority under § 507(a)(1) of the Bank-

ruptcy Code, including fees for services rendered and expenses incurred through the Effective Date by Debtor's counsel and other professionals appointed by the Court for the Debtor, the U.S. Trustee's pre-confirmation quarterly fees, and any other administrative expenses.

The estimated amount of claims in Class 1, including professional fees and U.S. Trustee fees is approximately \$25,000. Except as provided below, each creditor in Class 1 shall be paid in cash on the Effective Date if the creditor's claim has matured or been approved or allowed by the Court, if such approval or allowance is required. Fees and expenses of counsel for the Debtor will be paid by Sean Roberts to counsel for the Debtor at an agreed amount after confirmation.

The budget does not contain projected payments to counsel for the Debtor. Sean Roberts, as the owner of the Debtor, has agreed to assume and pay these fees separately. Sean Roberts has agreed to execute and deliver to counsel for the Debtor a promissory note with interest at a rate of five percent per annum and monthly payments. The promissory note may be secured with liens on the Debtor's real and personal properties.

Except for the payments to counsel for the Debtor for the chapter 11 services, all fees for services rendered and expenses incurred after the Effective Date by court-appointed counsel and other professionals for the Debtor shall be paid by the Debtor in the ordinary course of business without the necessity of filing fee applications or seeking approval or allowance of the Court. The reorganized debtor shall be responsible for timely payment of fees incurred pursuant to 28 U.S.C. § 1930(a)(6).

Quarterly fees owed to the U.S. Trustee pre-confirmation will be paid on the Effective Date of the Plan. After confirmation and until this case is closed by the Court, the reorganized debtor shall pay quarterly fees to the U.S. Trustee as they accrue and serve on the U.S. Trustee a quarterly financial statement or affidavit of quarterly disbursements.

Counsel for the Debtor, Baker & Associates, has or may obtain guarantees for payment to secure payment of the legal fees and expenses to Baker & Associates together with liens and/or security interests on the Debtor's real property. Such actions will not affect payments to creditors as provided herein. The payments to Baker & Associates will start at the same time as payments to other creditors.

Class 1 is impaired.

Class 2. Priority Claim of the Internal Revenue Service

Class 2 consists of the priority claims of the Internal Revenue Service. The Internal Revenue Service ("IRS") has filed a proof of claim for \$700.00 for income taxes and civil penalties, of which \$500.00 is entitled to priority. The Debtor will pay the amount of the claim entitled to priority to the IRS in full within ninety (90) days after the Effective Date of the Plan.

Class 2 is impaired.

Class 3. Secured Ad Valorem Property Tax Claim of Harris County and Other Taxing Entities

Class 3 consists of the secured *ad valorem* property tax claims of Harris County and other taxing entities (collectively, "Harris County"). Harris County has filed a proof of claim asserting \$10,064.88 owed for the 2014 tax year and an estimated \$9,067.46 owed for the 2015 tax year, both of which are secured by the Property.

The Debtor will pay \$10,369.86 to Harris County at 12% interest in 72 payments of \$202.73 per month. The amount to be paid to Harris County includes \$304.98 of interest accrued from the filing date through July 6, 2015, at a rate of 12%.

The Debtor will also pay \$9,067.46 to Harris County in 72 monthly payments for 2015 taxes. The monthly payments for 2015 taxes will be \$125.94 per month until January 31, 2016. The Debtor will pay any amount remaining on January 31, 2016 at 12% interest, compounded

monthly, in equal installments, amortized over the remainder of the 72 months.

Payments to Class 3 will start on the fifth (5<sup>th</sup>) day of the first full calendar month following the Effective Date of the Plan.

Class 3 is impaired.

Class 4. Claim of Harold Alvin Odom

Class 4 consists of the claim of Harold Alvin Odom (“Odom”), which may be secured by the Property. Odom has not yet filed a proof of claim with the bankruptcy court. The Debtor has scheduled Odom’s claim in the amount of \$20,000. The Debtor scheduled such claim as disputed.

After further review of the claim, the Debtor will pay the amount of \$16,000 to Odom in full satisfaction of his claim. Such amount will be paid at 0% interest in payments of \$166.67 until such claim is paid in full. The amount to be paid to Odom includes no interest accrued from the filing date through July 6, 2015. The Debtor may object to the claim.

If Odom has a lien, such lien will continue but shall only be security for the amount of debt as set forth herein.

Payments to Class 4 will start on the fifth (5<sup>th</sup>) day of the first full calendar month following the Effective Date of the Plan.

Class 4 is impaired.

Class 5. Secured Claim of Post Oak Bank of Texas, N.A.

Class 5 consists of the secured claim of Post Oak Bank of Texas, N.A. (“Post Oak”). The Debtor has scheduled the claim of Post Oak in the amount of \$475,000.00. The claim is secured by the Property.

The Debtor will pay the principal amount of \$482,160.68 to Post Oak at 6.0% interest in

240 payments of \$3,454.35. The amount to be paid to Odom includes \$7,160.68 of interest accrued from the filing date through July 6, 2015, at a rate of 6.0%.

Payments to Class 5 will start on the fifth (5<sup>th</sup>) day of the first full calendar month following the Effective Date of the Plan.

Class 5 is impaired.

Class 6. Secured Claim of Tax Ease Funding, L.P.

Class 6 consists of the secured claim of Tax Ease Funding, L.P. (“Tax Ease”). Tax Ease has filed a proof of claim with the bankruptcy court in the amount of \$88,353.32. The claim is secured by the Property.

The Debtor will pay the principal amount of \$91,253.77 to Tax Ease at 12.990% interest in 120 payments of \$1,361.98. The amount to be paid to Tax Ease includes \$2,900.45 of interest accrued from the filing date through July 6, 2015, at a rate of 12.990%.

Payments to Class 6 will start on the fifth (5<sup>th</sup>) day of the first full calendar month following the Effective Date of the Plan.

Class 6 is impaired.

Class 7. Claim of Construction and Design

Class 7 consists of the claim of Construction and Design, L.L.C. (“Construction and Design”). Construction and Design has not filed a proof of claim with the bankruptcy court. The Debtor has scheduled the claim of Construction and Design in the amount of \$6,500 but has also scheduled the claim as disputed. Although Construction and Design has filed a lien against the Property, it has failed to act on the lien. Therefore, the Debtor asserts that the lien of Construction and Design is ineffective and that Construction and Design should be treated as an unsecured creditor. After further review of the claim, the Debtor will pay Construction and Design

the amount of \$4,000 in full and final satisfaction of its claim. Upon confirmation of this plan, the lien filed by Construction and Design shall be released and discharged in exchange for the payments to be made under this plan. The confirmation order may provide for the release of the lien of Construction and Design on the property of the Debtor and the confirmation order may be filed in the real property records to record such release.

The Debtor will pay the amount of \$100 per month to Class 7 at 0% interest until such claim is paid.

Payments to Class 7 will start on the fifth (5<sup>th</sup>) day of the first full calendar month following the Effective Date of the Plan.

Class 7 is impaired.

#### Class 8. Unsecured Claims

Class 8 consists of the unsecured claims of the IRS. The IRS has filed a proof of claim with the bankruptcy court asserting an unsecured amount owed of \$200.00.

The IRS is the only known unsecured creditor of the Debtor. No other proofs of claim for unsecured debts owed by the Debtor have been filed with the bankruptcy court. The Debtor does not anticipate any other unsecured claims against it.

The Debtor will pay the amounts to Class 8 at 0% interest in 6 months.

Payments to Class 8 will start on the fifth (5<sup>th</sup>) day of the sixth (6<sup>th</sup>) month following the Effective Date of the Plan.

Class 8 is impaired.

### **ACCEPTANCE OR REJECTION OF PLAN**

Each impaired class of Claims shall be entitled to vote separately to accept or reject this Plan unless that class receives no distribution under the Plan. Any class receiving no distribution is deemed to have rejected the Plan. Any unimpaired class of Claims shall not be entitled to vote either to accept or to reject this Plan and is deemed to have accepted the Plan. Each creditor should read this plan and disclosure statement, then complete and return the attached ballot.

Your acceptance of the Plan is important. In order for the Plan to be deemed “accepted” by Creditors and holders of interests, at least sixty-six and two-thirds percent (66-2/3%) in amount of Allowed Claims voting and fifty-one percent (51%) in number of Allowed Claims voting in each Class of Claims must accept the Plan. Whether or not you expect to be present at the hearing, you are urged to fill in, date, sign, and properly mail the Ballot for Accepting or Rejecting Plan of Reorganization to Mr. Reese W. Baker, Attorney for Debtor, 5151 Katy Freeway, Ste 200, Houston, Texas 77007.

**IF ANY CLASS REJECTS THE PLAN, THE DEBTOR MAY SEEK TO “CRAMDOWN” THE CONFIRMATION OF THE PLAN PURSUANT TO 11 U.S.C. §1129(b). THE BANKRUPTCY CODE ALLOWS THE DEBTOR TO REQUEST THE COURT TO CONFIRM THE PLAN NOTWITHSTANDING THE REJECTION OF ANY CLASS OR CLASSES OF CREDITORS IF THE DEBTOR CAN DEMONSTRATE THE (i) THE PLAN DOES NOT DISCRIMINATE UNFAIRLY AND (ii) THE PLAN IS FAIR AND EQUITABLE WITH RESPECT TO EACH CLASS OF CLAIMS OR INTERESTS THAT IS IMPAIRED AND HAS NOT ACCEPTED THE PLAN. IN ORDER TO “CRAMDOWN” THE PLAN, THE DEBTOR WILL HAVE TO DEMONSTRATE TO THE BANKRUPTCY COURT AT A HEARING THAT THESE TWO STANDARDS HAVE BEEN SATISFIED. SUCH HEARING WOULD BE PART OF THE CONFIRMATION HEARING ON THE PLAN AND ALL CREDITORS MAY BE PRESENT AND WOULD HAVE AN OPPORTUNITY TO PARTICIPATE IN SUCH HEARING.**

### **EXECUTORY CONTRACTS**

Upon confirmation of this Plan, the Debtor shall be deemed to have assumed the following executory contracts:

1. Real estate lease with Livingston & Flowers.
2. Real estate lease with The Roberts Law Firm.

All other executory contracts and leases are deemed rejected by the Debtor as of the Effective Date.

### **JURISDICTION OF THE BANKRUPTCY COURT**

The Bankruptcy Court shall retain exclusive jurisdiction of the case after the Confirmation Date with respect to the parties to, and the subject matter, of this Plan and the Claims, applications, orders, damages, and other events as described in the Plan.

### **CONFIRMATION REQUIREMENTS AND PROCEDURES**

To be confirmable, the Plan must meet the requirements listed in §§1129(a) or (b) of the Code. These include the requirements that: the Plan must be proposed in good faith; at least one impaired class of claims must accept the Plan, without counting the votes of insiders; the Plan must distribute to each creditor at least as much as the creditor would receive in a chapter 7 liquidation case, unless the creditor votes to accept the Plan; and the Plan must be feasible. These requirements are *not* the only requirements listed in §1129, and they are not the only requirements for confirmation.

#### **A. Who May Vote or Object**

Any party in interest may object to the confirmation of the Plan if the party believes that the requirements for confirmation are not met.

Many parties in interest, however, are not entitled to vote to accept or reject the Plan. A creditor has a right to vote for or against the Plan only if that creditor has a claim that is both (1)

allowed or allowed for voting purposes; and (2) impaired.

In this case, the Debtor believes that all classes except are impaired and that holders of claims in each of these classes are therefore entitled to vote to accept or reject the Plan.

### *1. What Is an Allowed Claim?*

Only a creditor with an allowed claim has the right to vote on the Plan. Generally, a claim is allowed if either (1) the Debtor has scheduled the claim on the Debtor's schedules, unless the claim has been scheduled as disputed, contingent, or unliquidated, or (2) the creditor has filed a proof of claim, unless an objection has been filed to such proof of claim. When a claim is not allowed, the creditor holding the claim cannot vote unless the Court, after notice and hearing, either overrules the objection or allows the claim for voting purposes pursuant to Rule 3018(a) of the Federal Rules of Bankruptcy Procedure.

The deadline for filing a proof of claim is August 3, 2015.

### *2. What Is an Impaired Claim?*

As noted above, the holder of an allowed secured claim has the right to vote only if it is in a class that is *impaired* under the Plan. As provided in §1124 of the Code, a class is considered impaired if the Plan alters the legal, equitable, or contractual rights of the members of that class.

### *3. Who is **Not** Entitled to Vote?*

The holders of the following types of claims are *not* entitled to vote:

- holders of claims that have been disallowed by an order of the Court;
- holders of other claims that are not "allowed claims" (as discussed above), unless they have been "allowed" for voting purposes;
- holders of claims in unimpaired classes;
- holders of claims entitled to priority pursuant to §§507(a)(2), (a)(3), and (a)(8) of the Code;
- holders of claims in classes that do not receive or retain any value under the Plan; and

- administrative expenses.

*Even if you are not entitled to vote on the Plan, you may have a right to object to the confirmation of the Plan.*

#### *4. Who Can Vote in More Than One Class?*

A creditor whose claim has been allowed in part as a secured claim and in part as an unsecured claim, or who otherwise holds claims in multiple classes, is entitled to accept or reject a Plan in each capacity, and should cast one ballot for each claim.

### **B. Votes Necessary to Confirm Plan**

If impaired classes exist, the Court cannot confirm the Plan unless (1) at least one impaired class of creditors has accepted the Plan without counting the votes of any insiders within that class, and (2) all impaired classes have voted to accept the Plan, unless the Plan is eligible to be confirmed by "cram down" on non-accepting classes.

#### *1. Votes Necessary for a Class to Accept the Plan*

A class of claims accepts the Plan if both of the following occur: (1) the holders of more than one-half (1/2) of the allowed claims in the class, who vote, cast their votes to accept the Plan, and (2) the holders of at least two-thirds (2/3) in dollar amount of the allowed claims in the class, who vote, cast their votes to accept the Plan.

#### *2. Treatment of Nonaccepting Classes*

Even if one or more impaired classes reject the Plan, the Court may nonetheless confirm the Plan if the nonaccepting classes are treated in the manner prescribed by §1129(b) of the Code, including the "absolute priority rule." Under the absolute priority rule, the Court may confirm the Plan over the failure of a class to vote for the Plan provided that for a class of unsecured claims, the Plan must provide each holder of a claim of such class receive or retain on account of

such claim property of a value, as of the Effective Date of the Plan, equal to the allowed amount of the claim of the creditor, or the holder of any claim or interest that is junior to the claims of such class will not receive or retain under the Plan on account of such junior claim or interest any property. The Debtor believes that the Plan complies with the absolute priority rule in the Code.

A plan that binds nonaccepting classes is commonly referred to as a "cram down" plan. The Code allows the Plan to bind nonaccepting classes of claims or equity interests if it meets all the requirements for consensual confirmation except the voting requirements of §1129(a)(8) of the Code, does not "discriminate unfairly," and is "fair and equitable" toward each impaired class that has not voted to accept the Plan.

*You should consult your own attorney if a "cram down" confirmation will affect your claim, as the variations on this general rule are numerous and complex.*

#### **EFFECT OF CONFIRMATION**

As provided for in Section 1141 of the Bankruptcy Code, the provisions of Debtor's Plan shall bind the Debtor and any creditor under the Plan, whether or not the claim of the creditor is impaired under the Plan and whether or not the creditor has accepted the Plan. As provided for in Section 1141(b) of the Bankruptcy Code, confirmation of Debtor's Plan vests all of the property of the estate in the Debtor. After confirmation of the Debtor's Plan, all property of the Debtor dealt with by the Plan (which includes all property of the Debtor) is free and clear of all liens, claims, and interests of creditors and equity security holders, except to the extent provided in this Plan. So long as the payments proposed by this plan are made by the Reorganized Debtor, no creditor may seek to collect any amounts from the Debtor that were owed prior to the filing of the chapter 11 case or are provided in this plan.

Upon completion of all payments set forth in this plan except for the payments on the priority claims to the Internal Revenue Service, the Debtor may request that his case be re-

opened for the purpose of entering an order of discharge. After determination by the court that the payments under the plan have been made except for the priority and secured claims of the Internal Revenue Service, the court may enter an order of discharge. Upon entry of an order of discharge, the Debtor will be discharged from any debt that arose before confirmation of this Plan to the extent specified in § 1141(d)(1)(A) of the Code, except that the Debtor will not be discharged from any debt: (i) imposed by this Plan; (ii) of a kind specified in § 1141(d)(6)(A) if a timely complaint was filed in accordance with Rule 4007(c) of the Federal Rules of Bankruptcy Procedure; or of (iii) of a kind specified in § 1141(d)(6)(B).

The rights afforded in the Plan shall be in exchange for and in complete satisfaction, discharge, and release of all claims of any nature whatsoever occurring on or prior to the confirmation date, including any interest accrued thereon from and after the petition date, against Debtor and Debtor in Possession, or any of its assets or properties. Except as otherwise provided herein, upon the payment of the amounts provided in this plan, in accordance with Section 1141 of the Code, all such claims against Debtor and Debtor in Possession shall be satisfied, discharged, and released in full. Except as otherwise provided herein, all creditors shall be precluded from asserting against Debtor any other or further claim based upon any act or omission, transaction, or other activity of any kind or nature occurring on or prior to the confirmation date.

#### **DISPUTED CLAIMS; OBJECTIONS TO CLAIMS**

The Debtor may file an objection to any disputed Claim within sixty (60) days from the Effective Date of the Plan. Objections not filed within the foregoing time period shall be deemed waived, except to the extent that the grounds for the objection could not have been discovered prior to the expiration of the sixty (60) day time period. If an objection is filed to any claim, payments on the claim will not begin until after an Order of the Court allowing the claim has become final.

**FEASIBILITY TO PERFORM AND IMPLEMENTATION OF THE PLAN**

The Debtor believes this Plan is feasible. The Debtor will continue to operate its business. The Debtor believes that it will be able to secure dependable tenants and that its current tenants will be able to meet their on-going rent obligations. The Debtor does expect major repairs in the near future. The Debtor believes that future rent will produce sufficient funds to pay all administrative, allowed secured claims, and allowed unsecured claims as provided in the Plan. The main source of funding of the Plan will come from the rental income from the Debtor's continued operation of the Property. The projections attached as Exhibit B demonstrate the feasibility of the plan.
